### A Short Message:

Coming soon to your mailbox will be a ballot for voting in the up-coming San Francisco Regional elections. Please take the time to consider the candidates, where they are coming from. Most of us feel "we are only autocrossers," and what the Region does has little affect on us. We are all part of the Region and many of us have other interests in the Region's activities, such as Solo I, working, or road racing. Our Board members should reflect those interests.

The proposals, A and B, ensure that the Board members are directly elected by the membership every two years (if you vote for both). Not a bad idea. They also increase the size of the Board from six to eight members in order to spread the workload around.

I strongly encourage you to vote. It'll only cost you 25 cents postage and a few minutes of your time.

You've paid your dues. This gives you the opportunity to voice your views. Use it! Vote!
