ACT 18 at Crow's Landing was ACT's fifth different site for a Championship autocross. Thanks to all who helped to make this a successful, fun (and profitable) event. Special thanks to Rick Gould for all his efforts, and to Glen Zucca and Wendy Mafort for working a couple of extra run groups, late in the day when we really needed it. We finished the site clean-up in the dark! The event went smoothly, after we found out the SCCA timers are sensitive to chalk dust. Whenever someone went wide at the finish, the times disappeared in a cloud of dust!

ACT donated \$300 from this event to the Turlock Christmas Baskets for the poor. Congratulations!
