These results are based on the National Tour results' printouts. No cards, except Regional entries, were available to verify times car numbers, or other pertinent information.

Therefore there are a couple of variations to the National Tour results:

1. Separate Round 5 entries are included.
2. Because this is a Regional event, the pylon penalty was changed from the Tour's two-second penalty to the Region's one-second penalty. Hang me if you wish, but that's just the way San Francisco Region handles cones.

These results are based on the National Tour results' printouts. No cards, except Regional entries, were available to verify times, car numbers, or other pertinent information.

Therefore there are a couple of variations to the National Tour results:

1. Separate Round 6 entries are included.
2. Because this is a Regional event, the pylon penalty was changed from the Tour's two-second penalty to the Region's one-second penalty. Hang me if you wish, but that's just the way San Francisco Region handles cones.
