FOR IMMEDIATE RELEASE

JAG RACING TO REPRESENT CITY OF WILLOWS AT THUNDER HILL

"Team Willows" Driver Jeff Glenn to Compete in American Cities Racing League Event.

WILLOWS, CA (July 1, 1994) -- JAG Racing announced today that Jeff Glenn, 21, will compete in the American Cities Racing League (ACRL) event to be held at the Thunder Hill Park road course on Sunday, July 3rd. "Team Willows" and driver Glenn will represent the City in the ACRL class "B" race for Sports 2000 cars.

JAG Racing will compete for Willows against other "city team" drivers from California, the Western United States, and Canada to accumulate points in a season-long championship. The goal of Team Willows is to promote the City and surrounding Glenn County area as a center of motorsports in Northern California, gaining widespread exposure and recognition for the "home" of Thunder Hill Park.

"Ever since we ran very first event at Thunder Hill, the locals have been very supportive," said Glenn. "They've always been friendly to SCCA racers and enthusiastic about having the track in their community -- so I'm really pleased to be representing the City of Willows on the track, and looking forward to a competitive race."

Team Willows and JAG Racing are sponsored by Bank of the West, SignPro of Dublin, California, Tom Rust Racing and Freed Worldwide.

###

Race time is 1:00 p.m. on Sunday, July 3rd. Everyone is invited to stop by JAG Racing's trailer to say "hello" to Team Willows and view the distinctive green and yellow Tiga SC85 Sports 2000 race car, number 78.
