Car Facts:

The car is a Swift DB-5 Sports 2000, fitted with the 2000cc Cosworth Twin Cam engine. The design features a monocoque tub and inboard suspension. These cars are capable of speeds of 150+ mph. Glenn's car is sponsored by:

•**Bank of the West** •**KJWL FM Radio, Fresno**

•**Top Shelf California Fruits**

with additional support provided by: • **Syntropy Racing Group**

•**Frey Racing, The Racers Store of Mountain View CA** •**Red Line Oil**

The Series:

The American City Racing League is SCCA Pro Racing's only professional series for Sports 2000 racing cars. In addition to drivers championship points, cars are similarly painted and run in city teams contributing points towards a city team championship.
